

Projeto Filmes:

Sistema Web com implementação do CRUD utilizando as ferramentas Python, Pandas, Streamlit e SQLite.

Digite o comando [streamlit run form.py](#) no terminal para rodar a aplicação.

Interface:

The screenshot shows a Streamlit application with a dark theme. The top section is titled "Filmes". It contains three input fields: "Nome do filme" (Name of the movie), "Ano" (Year), and "Nota do filme" (Movie rating). Below these is a "Notável" slider with a value of 0.00. A "Adicionar" button is located at the bottom left of this section. The bottom section is titled "Lista de Filmes" and displays a table of three movies: "Super Mario" (2022, 9.5), "Senhor dos anéis" (2010, 10.0), and "Sonic" (2020, 6.5). Each movie row has two buttons on the right: "Ver" (View) and "Deletar" (Delete).
